# Best 5 Hotels in Paris with Quad Rooms

 Admin  Paris, Travel  February 14, 2018  2 Minutes

Choosing between quad/family rooms becomes easier when you know the best offers. Here we represent the best 5 hotels in Paris with quad rooms. All of them are very comfortable and chic. Besides the fact that the majority of guests want to stay in a place with the best views of Paris, there is another important factor that plays a great role in the choice of the hotel; the convenience. So, check out our list and opt for the hotel that seems to be the desired for you.

## **Hôtel Parister**

As for the Hôtel Parister, it is a 2-minute walk from Cadet Metro Station. All rooms are air-conditioned and feature a flat-screen TV with satellite channels, an electric kettle and a minibar. They come with private bathrooms, free toiletries, bathrobes and slippers. Some rooms offer a spa bath. Hotel Parister provides free WiFi throughout the property. You can enjoy several kinds of breakfast every morning. This hotel is very cozy for families and different groups of people. Here you can find a luxurious spa center.
